

# 93%

*of Emerson students that have experienced sexual harrassment have not formally reported it to the college.*

*4 different students have filed federal complaints against Emerson for allegedly mishandling Title IX cases.*

*In July of 2018, proposed changes to Emerson's sexual misconduct policy were submitted but never reviewed.*

*Emerson has decided to wait for the Trump Administration's Title IX revisions before even looking at policy changes.*

## WHY?

# What you can ask:

*Why is the college waiting so long to instate policies that protect students when there is no legal reason to wait?*

*Why do 1 in 4 Emerson students believe that Emerson's formal procedures regarding sexual misconduct are unhelpful?*

*Why don't students trust Emerson?*

*All statistics sourced from Emerson's 2018 Campus Climate Report*
